AMMONITE

In the 1840s, acclaimed self-taught palaeontologist Mary Anning works alone on the wild and brutal Southern English coastline of Lyme Regis. The days of her famed discoveries behind her, she now hunts for common fossils to sell to rich tourists to support herself and her ailing widowed mother. When one such tourist, Roderick Murchison, arrives in Lyme on the first leg of a European tour, he entrusts Mary with the care of his young wife Charlotte, who is recuperating from a personal tragedy. Mary, whose life is a daily struggle on the poverty line, cannot afford to turn him down but, proud and relentlessly passionate about her work, she clashes with her unwanted guest. They are two women from utterly different worlds. Yet despite the chasm between their social spheres and personalities, Mary and Charlotte discover they can each offer what the other has been searching for: the realisation that they are not alone. It is the beginning of a passionate and all-consuming love affair that will defy all social bounds and alter the course of both lives irrevocably.

ANOTHER ROUND (Subtitled)

There is an obscure philosophical theory that humans should have been born with a small amount of alcohol in our blood; that modest inebriation opens our minds to the world around us, diminishing problems and increasing creativity. Intrigued, Martin (Mads Mikkelsen) and three of his friends, all weary high school teachers, embark on a risky experiment to maintain a constant level of intoxication throughout the workday. Initial results are positive, but as the units are knocked back and stakes are raised, it becomes increasingly clear that some bold acts carry severe consequences.

CHAOS WALKING

In Prentisstown, Todd has been brought up to believe that the Spackle released a germ that killed all the women and unleashed Noise on the remaining men. After discovering a patch of silence out in the swamp, his surrogate parents immediately tell him that he has to run, leaving him with only a map of New World, a message, and many unanswered questions. He soon discovers the source of the silence: a girl, named Viola.

HIGH GROUND

Set against the stunning landscapes of 1930s Arnhem Land, HIGH GROUND chronicles young Aboriginal man Gutjuk, who in a bid to save the last of his family, teams up with ex-soldier Travis to track down Baywara—the most dangerous warrior in the Territory, who is also his uncle. As Travis and Gutjuk journey through the outback they begin to earn each other's trust, but when the truths of Travis' past actions are suddenly revealed, it is he who becomes the hunted.

HOW TO BE A GOOD WIFE (Subtitled)

Oscar winner Juliette Binoche (The English Patient) leads this French comedy as a recent widow who takes over her and her late husband's housekeeping school, only to discover it's close to bankruptcy. Though it's a rough position to be in, it presents an opportunity to transform the training grounds for subservient housewives into an establishment that challenges social norms.

DAYS OF THE BAGNOLD SUMMER

Days of the Bagnold Summer sweetly draws you into the wobbly relationship between well-intentioned single librarian Sue Bagnold and her black-clad teenage son Daniel, who'd rather listen to Metallica than his mother. Daniel was meant to spend the summer in Florida visiting his dad, but is now stuck with Mum following the trip's cancellation.

LONG STORY SHORT

Serial procrastinator Teddy (RAFE SPALL) thinks he has all the time in the world, but after an odd encounter with a stranger (NONI HAZLEHURST), he wakes up the morning after his wedding to discover that he's jumped forward a year in his life to his first anniversary. His wife Leanne (ZAHRA NEWMAN) is now heavily pregnant, with a full year of marriage behind them that he doesn't remember living. Trapped in a cycle of time jumps, transported another year ahead every few minutes, Teddy is faced with a race against time as his life crumbles around him. With the help of his best friend Sam (RONNY CHIENG), Teddy tries to piece together where it all went wrong and, as his life flashes before his eyes, Teddy must learn how to live life in the precious moments to win back the woman he loves, even if it's just for a second.

MINARI

A tender and sweeping story about what roots us, MINARI follows a Korean-American family that moves to a tiny Arkansas farm in search of their own American Dream. The family home changes completely with the arrival of their sly, foul-mouthed, but incredibly loving grandmother. Amidst the instability and challenges of this new life in the rugged Ozarks, MINARI shows the undeniable resilience of family and what really makes a home.

MR JONES

The extraordinary untold story of Gareth Jones, an ambitious young Welsh journalist who travelled to the Soviet Union in 1933 and uncovered the appalling truth behind the Soviet "utopia" and Stalin's regime.

PENGUIN BLOOM

After a crippling accident in Thailand, Sam Bloom (Naomi Watts) mourns the life she lost and the person she used to be. Her husband Cam (Andrew Lincoln) and sons Noah (Griffin Murray-Johnston), Reuben (Felix Cameron) and Oli (Abe Clifford-Barr) try to help as much as they can but it doesn't seem to be enough. Sam is angry and hurting and shuts herself away from the world and, to some extent, from her family. When Noah rescues a baby magpie, the bird – later called Penguin – worms his way into their hearts. Left alone in the house, Penguin and Sam begin to develop a special bond. As Penguin finally manages to fly, he inspires Sam to try something new and she finds fulfilment in learning to kayak. Sam comes to recognise that although things are different, she is still the same person she always was and great things are yet to come.

RAYA AND THE LAST DRAGON

A lone warrior, Raya, must track down the legendary last dragon to stop an evil force that has returned after 500 years to once again threaten her homeworld, Kumandra.

ROSIE

ROSIE tells the story of a mother trying to protect her family after their landlord sells their rented home and they become homeless. Over 36 hours, Rosie and her partner John Paul strive to find somewhere to stay while shielding their young family from the reality of the situation around them. ROSIE examines how even in times of crises; the love and strength of a family can endure.

SHADOW IN THE CLOUD

In the throes of World War II, Captain Maude Garrett (CHLOË GRACE MORETZ) joins the all-male crew of a B-17 bomber with a top-secret package. Caught off guard by the presence of a woman on a military flight, the crew tests Maude's every move. Just as her quick wit is winning them over, strange happenings and holes in her backstory incite paranoia surrounding her true mission. But this crew has more to fear...lurking in the shadows, something sinister is tearing at the heart of the plane. Trapped between an oncoming air ambush and an evil lurking within, Maude must push beyond her limits to save the hapless crew and protect her mysterious cargo.
